Discipling the Diaspora

Diaspora Workshop 1:

Ways to develop Diaspora TEE

An example from Malaysia

Discipling the Diaspora

The Diaspora is part of God's plan to reach and disciple the Nations!

..... and TEE is playing a part in this in Malaysia!!!

What are the issues?

Ownership

Distribution

GL Training

Fees

Relationship between Partners

Relationship with SEAN

The issues we faced:

- Building Relationship and Trust;
- Relationship between 'origin' and 'host' TEE programmes;
- Ownership of different languages in country;
- Relationship with local churches and believers;
- Group Leader Training and tight schedules;
- Relationship with SEAN.
